Lead-time: Standard three week lead on all orders for all products.

OPC offers the ability to ship as little as one pallet up to a full rail car. We use an experienced fleet of OTR truckers that are committed to handling refrigerated goods. Our LTL support allows for a one-week transit on deliveries to all forty-eight states. OPC has our own fleet of 64' cryo rail cars and access to rail owned cars as well.

Rail service capabilities along with select forward warehousing storage facilities will guarantee you assured product support.
